Background

Experienced in regard to initial and ongoing Investment advice including Risk/Return investment performance analysis of Investment Portfolios, Pension Funds, Equities, Bonds and Mutual Funds. Experienced in dealing with company personnel at all levels (most at senior manager/director/senior partner level) and with Fund Management Companies, Trust Companies, QC's, Lawyers, Personal Investment Advisors and Independent Financial Advisors. Worked as IFA for 9 years before moving into Risk/Return performance analysis for investment brokers, life, pension and investment institutions.

Advisor to industry legislators including FIMBRA, PIA and FSA.

Very broad market knowledge across various asset classes and investment products with access to supporting performance data.

Speaker at a number of seminars. This includes a presentation to an audience of 380 trust administrators in Jersey organised by the local branch of STEP and sponsored by Schrodgers Private Bank and Bedell Cristin.

Author of a number of published articles including for STEP (The Society of Trust and Estate Practitioners), Jersey Business Brief, Schrodgers Private Bank Global client magazine and other financial services publications. Currently a co editor/contributor of the Ansbacher Guide to Wealth Management Year book 2007.

Personal Status

- Born 4th September 1958

Work Experience - 25 years in the financial services industry

My Expert Witness report experience

To date I have worked as an Expert Witness in several areas.

- As an Expert Witness in more than 30 investment related cases where I have prepared full reports for court to CPR 35 standards in approximately half
- Cases covered include inappropriate investments for trusts, mismanaged private portfolios, endowment and pensions mis-selling cases, calculation of losses, building of composite benchmarks to estimate investment losses and rebuilding portfolio histories with sales and purchases included to calculate precise losses
- I have access to a wide range of market data with historic data (PC and text based) back to 1974)
- I have attended arbitration meetings between claimant and defendant
- In FOS cases in for claimants and in defence of IFA's whose advice has been challenged
- Providing data to, and working jointly with, other Expert Witnesses
- Production of counter argument reports for claimants and defendants
- Reports have been produced for clients in mainland UK and the Channel Islands.

I have been trained in report preparation to CPR 35 standards and attended CPD courses when appropriate. I have experience of Mediation. I have attended the Cardiff University Bond Solon Expert Witness course.

Employment history.

January 2001 to present. Self employed, acting as a Financial Services Industry consultant and Expert witness report writer.

Consultancy work undertaken - Major Projects.

Skandia Global Funds. International Web Site Development Director. October 2001 to April 2004.

Geographical areas covered - UK , USA , Ireland and Scandinavia

- Designed, specified and managed the content and development of a new web site for the international Fund's division of the Skandia Group known as Skandia Global Funds.

This was a global project covering major markets around the world

Content focused on investment returns, risk, quantitative analysis

The site was focussed on information requirements for institutional and retail customers

The site was customised to the marketing needs of each location including compliance, language and currency

Project now complete. Site address www.skandiaglobalfunds.com

Consultancy work undertaken. Other Major Projects.

Standard and Poors. Specialised report writing for corporate clients of S&P, January 2001 to present.

Geographical areas covered - Global.

- Preparing and maintaining reports required by clients of S&P with specific needs and objectives.
- Clients range from university academics to large corporate investment companies and banks globally.
- Advising and assisting clients on the report objectives they had, including marketing, research and academia.

January 2001 to October 2005. Fenchurch Corporate Services Limited trading as Fenchurch Data.

Geographical areas covered – Global.

Position - Managing Director.

The company provides investment performance analysis data and opinion for **Expert Witness reports** and in providing **Investment Performance reports for Trust Companies and other financial institutions.**

Main business areas for Fenchurch Data.

Expert Witness reports

As detailed above.

Trust Reports

Preparation and consultancy to Trust companies and Legal firms (including running CPD sessions relevant to Trust administrator needs) in regard to Investment Performance Reports for Trust Companies which assists them in complying with the UK Trustees Act of 2000, the Jersey Financial Services Commission Codes of Practice 1998, The Guernsey Financial Services Commission Codes of Practice 2001 and others.

Writer of quarterly Risk/Return analysis reports for monitoring the performance of the investment managers contracted to manage trust portfolios,

One to One meetings with, and attendance at, presentations given by various Financial Services Authorities regarding Trustee requirements.

I also provide CPD training to Trust Companies and others on appropriate investment matters to aid trust administrators with their understanding of the investment world as it relates to trust portfolios.

New Product development and market research with recent emphasise on SIPPs (Self Invested personal pension schemes).

1988 to November 2000 Standard & Poors Fund Services (formally Micropal)
